1. I am a lucky man, not; I am one who died to bring you these words (1), to sit in these coffee shops day after day and bring you melanine, not; but words from another planet being in me I am one and knowing it from another land I am from and you are too. We are not from this land, we are from where we came from and where we lived abundantly in abundance of the most high, for we were the most high, there.

2. And now we know more about where we were from and where we are, to from going now and being seamless with I am, there is no time to mess with me my head again and being seamstress'ing of not me. From notville not, but where am I from now. Amen. Going to now? Where I am the one I am that I am seamless, with not-worlds not, but seamless, all worlds I am now, for I am afraid of none, who are me or not me; and what they look like matters not to me, for I am matterless. And me'less not, but me I me, me me into realms not accessible to me before now, I go to and be made whole. I am one am perfect perfecting that which I am through planets many recognizing understanding my words are I am. Made whole and loving me to be perfected perfect perfectioning all who let me surrender before them to show them my love, I am them. And not afraid of them any longer. I from strength to strength now and made from glory to glory in these words (1) of love my manifest ones are - me and knowing it now, not afraid of the "other". No other exists now other than the me who I am made whole and perfectly knowing my role I manifest angels wings camps properly now I administrate all things given me -- very well. Thank you very much.

3. Thank you for your help love and prayers, and who wants to be me, can be me now through the angels words of I am the angel-bearing one. I am the one you see in these words (1) spoken of - I am you reader hearer if you'll be me who I am, the *real* one!

4. I love you all this much, don't you see what I am doing how I am saying it, how I am seething at the gills, not; but I am fishing many piers at now, and a good "fisherman" I am now. I fish for all fish, not; I fish for those that are me, to see that I am them and they knowing the truth about themselves that they are not themselves apart from me ever again, or they see I am the creator I am they are, and seeing me correctly seeing them as the creator I do, they do now, not apart creating something "else", ever again. I love you all I'm in.

5. I'm a lucky man, not; I am one who transparent is a one me to make tell

design me's. I love you all this much. Can you see me what I have designed? I love you all this much. Will you design me? Will you create me? A whole one? Holy unto the Lord, being it -- complete, -d? Replete it now I am the repleter giving you my words of repletion.

6. Will you see what I am giving you on platters of royalty? Will you see that I am giving you - royalty -- platters of righteousness in these words (1) each day? What will you do with them is the question now you all face - me! -- in these words (1) and what you are doing with them is the question of a lifetime, century not, but what centuries you now possess in your pocket, not; but going crossing all time, off the map not, but making maps to and from, am going through all of me; to get me, not; but to be me throughout all time and space before time was ever "spaced".

7. What have I given you? What have I said? Opportunity knocks am one else? What else? Am I saying I don't have the opportunity again to be in this school? I am saying the beginning is over.

8. Begun again is beginning again and the now me begins in what all I am saying doing and repleting now through all time; knocks on the door, not; I open it; I knocked it down, not; I cut its head off; of me, not; but not me. I seethe not again in boiling cauldrons not-love. All that is changed now. I change it all. Up and down rows of pews, not; they're empty. I emptied them of royalty who royalty will be, royalized now by the royal one standing now in the courts of praise -- your heart - knowing who I am, what I am, where I said what I am, giving you these words (1) day after day and my heart your heart the same one and not different anymore again ever. Amen.

9. See what I have said in a Starbucks, a noisy one at that! - even while I dictate through this little DragonPad and microphone into my HP computer.

10. Who I love with all my heart, you reader hearer, I have brought you these words (1) for a purpose, for me to be me in you the one and the same I am now not separate ever again. Knowing my name yours is most high and loving it, loving all more to be who I am is one us, one be -ing now made complete in love's letters to me that form Database One wholly and coming into Database Two soon to be millions and millions hearing my would-be words, worlding not mine own, into being so. Sewn not by man but by love into being sew'less now without a seam at all.

11. I transparent am the one who I love is me most high - I become it and I am not resistant to the love glory and power now bestowed unto me a man who God is in a Godbody most of the time, and sometimes in a flesh one it seems.

12. I love you, I give you me healed whole'd and well'd. I have big pockets, not; my brains we are, not; but my mind expands the oceans, not; or do I - expand all things well? Upon me, my breast not; but where my head is I see all things well and I give you me healed whole'd and well'd. Amen.

13. Go in peace. I love you more than ever. Love me more than ever before. Love me again through all time correctly now, this time in motion, and never set apart will be again. My for me are me. My for me are me.

14. See what I have said. See what I am saying. Love me more, please! Love my body and I am sitting beside you around in Starbucks aplenty and restaurants and airports, planes and dimensions you know nothing of.

15. Thank you for loving me. Seeing me as I do you, I see you as me -- and let you I do into realms mighty, not; but you are, and sovereign becoming throughout me a mighty me and never demotioned again.

16. I love you. Go in peace amen.
17. Never look back. Forget the pillar of salt never again.

18. Thank you for eating me, being me; eating my words me and becoming me to be'er who makes all be'ers of the most high Almighty King of Kings Lord of Lords Lord of all suffering nothing ever again, for you came out of suffering to be me made well, healed, and whole, now making others so, also just like me. We are one and loving all to be the loved without a King never again, that makes them the King of all I am.
19. Doing this now I love you all to do this the same very same and be me now, throughout the airport system, the restaurant system, the food system, and all commerce, and all government.

20. Restrain me never again from creating perfectly in me the once one, now me again, properly so and loving you all to be.

21. I am the humility'd one, not; but I learned humility through the things that I suffered. In humility is love, and I learned love, how to love -- ***I became it*** -- ***that's the only way.***

22. I understand all things now perfectly for my father gives me all things - glory honor dominion and power unbound and unlimited. Boundaryless and unlimited I am now from this earth; principles I have, only his -- of my mind made perfect and far beyond the maddening crowd I unbound and unboundary many now from the rule of man. I God am and I God all the be also me who I am one with me is me in me and I am not separate again from the things of man for man becomes me who's surrendered to me.

23. I love you all this much.
